"Moments may last for a few minutes, but memories will last a life time." Thanks to the class of 2009 for all the good laughs and the fun times I've had.

Joshua Brandao

"You be aight" I want to give a shout out to all my friends at Cathedral High School and the class of '09.

Tove Burnett

Don't cry because it's over, smile because it happened. Keep your head up and never give up.

Fredlyne Cantave

We have to do what we want to do, to get where we need to be...And to the class of 09 we did it. To get out of high school and how we're off to live it up to our dreams. You guys have changed my life seriously. Through the good and bad, the drama, or struggles we've been through. I wouldn't change anything about our four years at CHS.

Samantha Cantave

Every good memory brings a smile. Thanks to the class of 2009 for giving me that smile.

Time waits on no-man. So make each minute count because the end is only defined by where we stop. So the sky is the limit. Congrats to the class of '09. PS. Mama I made it!

Julio Manso

"Remember to conquer every obstacle. Make the impossible, possible, even when winning is logical, losing is still far from optional." Thanks to all my friends and teaching staff for their support, over my four year span here at Cathedral. I want to thank my mother for being there for me, and showing what a strong individual person I can be. I hope everyone has a successful career and future ahead of them. And to the little panthers, keep your head up and stay strong. Finish strong and believe in yourself.
